Baby SESSION GUIDE 2023

WITH

NELE PHOTOGRAPHY

Hello,

I am Nele.
a mother of three,
a wife to an Irish man,
a photographer,
an Estonian in Ireland.

My photography style is relaxed and natural.

I love to see you come to my session in comfortable clothes, sit down, play with your kids, cuddle your husband and just have fun!

I want to capture your moments and the connection you have with your favourite people in the world. I want you to look at your images and be brought back to that moment in your life. I don't want to just take photos but capture real life and the joy that surrounds happy families.

Nele

“Nele is just fantastic at what she does!
She was so natural and relaxed with us on the day of the shoot,
which is hard with three kiddies!
And it shows in our beautiful family pictures.
They are just stunning!
We have so many beautiful pictures to treasure as a result!
Thanks Nele ”

Jackie

BABY SESSION

Baby SESSION

- 1 hour session in my studio

- the main focus is on baby but there are also images with siblings, mum, dad and the whole family

- use of my client wardrobe (flowy dresses for mums in different sizes; outfits for babies from birth up to 2.5 years)

- 30 high resolution digital images (all in colour and black&white) in a password protected online gallery

- USB with all of your digital images in high resolution for you to print and share with family

- €35 credit to spend towards professional quality prints and products through me

€350

Products

I am proud to offer you a collection of the highest quality products in the industry, from prints of all sizes to hand-stretched canvases and amazing wooden Photoblocks.

How DOES IT WORK?

- Give me a call, an e-mail or even a quick message to let me know you'd like to book a session
- We will go over all of the details and I'll answer any questions you might have
- We meet on the day of the session, have fun and take some beautiful images of your baby and family
- I will start editing your images. This can take up to 2-3 weeks as I edit each image individually by cleaning the background, smoothing skin, enhancing colours and adding my personal touch
- Once I have finished editing your photos, I will upload them to a password protected online gallery and e-mail you the link. ENJOY!
- Every session includes credit to spend on professional prints/ products. Now is the time for you to choose the images you'd like to get printed
- Your order will be processed and very soon after you will receive your USB with all of your images and stunning products

what now?
