SESSION GUIDE
2023

WITH
NELE PHOTOGRAPHY

Hello,

I am Nele.

a mother of three,
a wife to an Irish man,
a photographer,
an Estonian in Ireland.

My photography style is relaxed
and natural.

I love to see you come to my
session in comfortable clothes,
sit down, play with your kids, cuddle your husband and
just have fun!

I want to capture your moments and the connection you have
with your favourite people in the world. I want you to look at
your images and be brought back to that moment in your life.
I don't want to just take photos but capture real life and the
joy that surrounds happy families.

Nele

"Nele is just fantastic at what she does!
She was so natural and relaxed with us on the day of the shoot,
which is hard with three kiddies!
And it shows in our beautiful family pictures.
They are just stunning!
We have so many beautiful pictures to treasure as a result!
Thanks Nele "

Newborn SESSION

- 2-3 hour session in my studio (we go at baby's pace with lots of breaks for feeding, changing and settling)
- images of baby on his/her own, with siblings, with mum, with dad, the whole family and siblings on their own too
- use of my client wardrobe (flowy dresses for mums in different sizes; outfits for babies from birth up to about 2 years)
- 50 high resolution digital images (all in colour and black&white) in a password protected online gallery
- USB with all of your selected digital images in high resolution for you to print and share with family
- €40 credit to spend towards professional quality prints and products through me
- Your viewing gallery may include more than 50 images. Additional images available for purchase at an extra cost

€400

How DOES IT WORK?

- 🌿 Give me a call, an e-mail or even a quick message to let me know you'd like to book a session
- 🌿 We will go over all of the details and I'll answer any questions you might have
- 🌿 We meet on the day of the session, have fun and take some beautiful images of your baby and family
- 🌿 I will start editing your images. This can take up to 2-3 weeks as I edit each image individually by cleaning the background, smoothing skin, enhancing colours and adding my personal touch
- 🌿 Once I have finished editing your photos, I will upload them to a password protected online gallery and e-mail you the link. ENJOY!
- 🌿 You will pick your images and I will send you the download link
- 🌿 Every session includes credit to spend on professional prints/ products. Now is the time for you to choose the images you'd like to get printed
- 🌿 Your order will be processed and very soon after you will receive your USB with all of your images and stunning products
